15 & Over Division - Gross

Alex Osborne's fires a sizzling 2 under 68 in the final round to capture the 2010 Glidden Bowl Championship. This division was always going to be exciting with the quality of play consistent by all of the participants. It was Osborne who came out on top with a three day total of 2 over 212 over Damien Palanyandi who posted a 76 in the final round given him a three day total of 219 overall and second place for the tournament.

15 & Over Division - Net

Mackih McGowan captures the NET division with a 10 under net 200 total for the tournament. In second place net was Scott Gilbertson on 4 under overall 206.

13-14 Division – Gross

All Mitchell Campbell had to do was show up to play and he was assured a top place finish. Mitchell was consistent all three days taking a commanding lead after round one. He managed to keep his cool and not get too ahead of himself to seal the deal in the final round. Mitchell finished 244 overall for the tournament and a whopping 84 shots ahead of his nearest competitor.

13-14 Division – Net

Corey Desilva captures the NET title in the 13-14 division was very excited to hear his name called to collect the winner's trophy. However he certainly deserved a medal for his efforts all week.

12 & Under & Under

Walker Campbell was very consistent this week and it paid off as he finished on 254 overall for the tournament and 5 shots clear of runner up Thomas Allkins who also played extremely well and if it had not been for a rocky start he may have given young Campbell a run for the title.

Girls Open Division

Elizabeth Parson's captures the Girls Open Division playing very consistently all week. In 2nd place was Zayla Smith.

Open 9 Hole Division

This was always going to be an exciting finish mirroring the Wimbledon Tennis Final where the Williams sisters had to face off in the final. In the end Alvin AE Landy fired another impressive 9 hole score of 46 and 135 overall to win out by one shot over Zyun Smith and her sister Al Shae Landy who also played extremely well and both finishing their three day event on 136. Going to the scorecards saw Zyun Smith taking 2nd place honors while Al Shae Landy took 3rd place. A good week was had by all and by the performance and excitement shown by the young participants it is evident that golf in Bermuda has a very bright future.
