  - b. A list of tournament they have played in (representing the school). This should include how they placed, daily scores, size of the tournament, and indicate if it was a ranked tournament.
  - c. Any additional information regarding school performance, outstanding achievements, and extracurricular activities.
2. We ask that each junior submit a brief summary of tournaments played outside of school both locally and overseas. This should include, the size of the tournament, tournament name and date, final placing, daily scores and please indicate if it was a ranked tournament

The deadline for this information is April 6<sup>th</sup>, 2008.
